Hi, we're B.C.

*We're a community of sitters
and nannies who children love.*

**“Why not let us
connect you with
AMAZING
nannies where
you can work or
have fun, while
your children are
cared for by
someone they
genuinely love”**

We're so happy you've found us!

Life is too short to be wasting your valuable time organising and worrying about childcare, so why not let us connect you with AMAZING nannies where you can work or have fun, while your children are cared for by someone they genuinely love. It's a no brainer right? Whether you're looking for a homework connoisseur, an friendly and engaging child carer, or someone to take over your role while your not home, Babysitters Club is what you've been searching for.

The thing that is pretty special about us, is that we care about our families and nannies more than we care about ourselves. We want to ensure that when you use our services, your children feel inspired and you feel complete peace of mind. We believe we can help make that your reality by supporting you and our nannies along the way. Being there to set clear expectations is something we are good at.

Our nannies are highly experienced with children, have a genuine interest in them and are willing to go the extra mile. **So if this sounds like something you need, please get in touch today. We would love to find you a world-class child carer.**

Welcome to your new favourite service.

HERE'S WHAT OUR FAMILIES
HAVE TO SAY ABOUT US.

'The kids love Ash and she has inspired them with their learning which has been awesome!'

- **Helen, parent**

'Had amazing experiences with Babysitters club, great babysitters, clearly actively engaged with my child and some go above and beyond doing tidying and cleaning up without asking (such an unexpected joy when it happens).

Georgia really makes you feel valued, is super responsive and doesn't make you feel like an idiot when you mess up the booking time and dates from time to time.

We now have our regular favourite nanny who comes every week and is just such a massive hit with our small chap - he loves her!'

- **Ilana, parent**

'I am continuously blown away by the amazing service, communication, organisation and warmth we receive from Georgia and her team at the Babysitters Club. As a single Dad and a business owner, life can be unpredictable for us. I just want to thank you so much for ALWAYS being there for us - very often at short notice. Every single nanny we have ever had has been kind, respectful and lovely. There is simply no other company out there that could win my trust and respect like Baby Sitters Club has.'

- **Sam, parent**

A Flexible, Yet Reliable Nanny Arrangement

IT TAKES A VILLAGE TO RAISE
A CHILD.

We work a little different to your everyday nanny company

We understand you don't always know what your life will look like or what your needs will be in six months time. The idea for us is that we can provide a flexible, yet reliable childcare service. We focus our attention on matching families with nannies who are the best fit for their family. As well as this, we make the transition process simple. That means, if your nanny's requirements or situation was to ever change, we can always be there to support you by sourcing and inducting another nanny who is just as wonderful. You don't have to worry about their quality or them not knowing what to do, we do all the hard work for you.

They say it takes a village to raise a child - and that's what we are creating, a village. We are a supportive and flexible community that supports parents, children and sitters.

Here's how we work.

HINT - WE MAKE IT REALLY,
REALLY EASY

We take the stress out of nannying.

The four steps below outline how we work and how simple it is.

- 1 Similar to our babysitting services, we get to know your family's needs and preferences, then we place word out to our nannies who have been vetted and inducted to our standards. We then process who we believe is suitable for the role.
- 2 We send the profiles of our nannies who are interested in the role to your family. You then get to decide who you wish to engage with. We have the nanny get in touch to introduce themselves, so you can go over any further details before the start date.
- 3 Your nanny arrives and completes his/her first day of help. We get in touch to see how everything went and you can then decide if you wish to engage with the nanny on an ongoing basis.
- 4 We will keep in close contact with you, providing continuous support along the way.

And here's what you can expect.

MAXIMUM BENEFITS,
MINIMUM WORRIES.

Inspire. Belong. Be Open. Have Fun. Create a Community.

These are our values. They are also what you can expect when you join the community of Babysitters Club.

We are all about adding to our families and nannies lives, in the best way possible. Our nannies are all united by one thing - a genuine love for children, meaning your children will always be in the best hands.

We always look out for our families.

To do this we:

- Line up amazing nannies for you to work with.
- Cover our nannies under insurance.
- Ensure you are matched with a nanny that is suited to you.
- Ensure we help our nanny understand your family so that they can do the best job possible.
- Take the stress out of paying and managing your nanny.
- We set clear expectations and check in regularly.
- Provide advice, ideas and exclusive resources that help your nanny to be the best nanny around!
- Provide a flexible contract so that you can opt out at any time
- Have cover waiting and ready if your nanny is ever sick or away.

Ease, Support, Protection.

IT'S BETTER FOR YOU
AND FOR OUR NANNIES

Interview

Induct our nannies in health and safety and quality standards

By gathering information about your family preferences, it allows us to induct your nanny before they begin. This means our nannies know exactly what is expected of them, and as a result, we save you the worry and time of having to interview and induct nanny after nanny in 'hope' of getting the right fit.

We have the family and nanny treat the first week as a trial period. Although we doubt this will happen based on our hiring and induction processes, if the family does not wish to engage with the nanny on an ongoing basis, they are able to cancel the engagement with 12 hours notice during the first week.

After the first week, your nanny's hours will be set on an ongoing subscription basis. If you are needing to change or cancel your upcoming bookings (subscription), you must provide a minimum of one week's notice before the nanny's start time. If you decide to cancel or change your booking after this deadline, you will still be charged for the arranged hours. For example, if you have a nanny booked in on Monday, May 18th starting at 2 pm, you would be required to amend your booking by Monday, May 11th by 1.59 pm.

Our nannies will do their best to attend to any of your changes, however, should they not be able to, we will endeavour to find a replacement through our network.

“It genuinely excites me to know that through our services, so many peoples lives are benefited and inspired”

babysittersclub.co.nz

It has always been my dream to connect people, where skills and knowledge is transferred and inspiration is formed. Whether that be from a nanny to a child or a child or parent to nanny, it genuinely excites me to know that through our services, so many peoples lives are benefited and inspired.

I love knowing that I am providing families with sitters and nannies who have a genuine interest in children, are highly experienced and willing to go the extra mile. I have personally come from a background of teaching, so my vision is have sitters and nannies on board who are able to make some kind of an impact on the children's lives that they care for. Whether that be making a child laugh during a game of hide and seek, doing an inspiring arts and crafts project, or just being there and having a great conversation - we want those you care for to look back in 20 years time saying, *'Remember how amazing that sitter/nanny from Babysitters Club was. We always had so much fun!'*
